ENTERED AT STATIONERS' HALL.

PREFACE.

LIKE the preceding volumes of the MILLENNIAL STAR, the present is intended as a harbinger of that "Peace on earth and goodwill to man" which characterize the work of the Lord Jesus Christ.

May Volume XLII shed a ray of happiness upon the heart of every reader; and may it aid in piercing the midnight gloom of existing traditions, until the dawn of Christ's millennial day shall usher in an era of universal peace—that happy period of which the prophets have spoken, and in which the Saints are looking for their promised rest.
